60 Minute Missions Escape Room – Greensburg

Escape rooms offer the perfect opportunity to have fun with family or friends, but sometimes getting your group to the location can be a challenge. 60 Minute Missions offers mobile games that employ the same puzzling steps of an escape room, as a table-top mission-based game. Choose from three different 15-minute games built to encourage teamwork and communication for groups of 2 to 4 players.

Each 15-minute game can be run up to 3 times per hour, every 20 minutes.

MOBILE MISSION HOURLY RATES	
One 15-minute game, one staff member	\$75
Two 15-minute games, one staff member	\$100
Three 15-minute games, two staff members	\$175
